

## **Avantgarde Teen2 / Teen2 VR**

The Avantgarde Teen 2 / Teen 2VR are a folding wheelchairs designed for children who want to have an active lifestyle. Both models of the Avantgarde Teen are available with a straight or abducted frame. Both chairs are easy to drive and manoeuvrable.

The Avantgarde Teen2 has a fixed front frame and integrated footrest, where the Avantgarde Teen2 VR on the other hand has swing-away footrest.

### **What is special about me?**

- Compact and manoeuvrable
- Swing away footrests make an easier standing transfer
- Grows with the child
- Choice of frame colour and upholstery allows for individuality
- Suitable for use in transport
