Invacare® | **Essential Visco Cushion**

Dual layered comfort

The *Invacare Essential Visco Cushion* has a dual layer, using a combination of high density temperature sensitive visco elastic foam in conjunction with a highly resilient foam base to provide added support and longevity. The *Essential Visco Cushion* is suitable for those who require added comfort when in a wheelchair.

Yes, you can.®

Visco elastic (memory) foam top

The top layer of the cushion is made from high density visco elastic (memory) foam, which conforms to the shape of the body combining exceptional comfort with a fully supported feeling.

Robust Foam Base

The high density foam base provides added support whilst preventing the cushion from bottoming out, ensuring longevity of the product.
